Announcing the Endometriosis Center of Olympic Peninsula

The Endometriosis Center of Olympic Peninsula is a group of the Endometriosis Research Center, and established 501(c) 3 non-profit organization with the mission to find a cure while providing organization with the mission to find a cure while providing support to the entire community of those who live with Endometriosis. Please help women with Endometriosis by letting them know about our organization.

Our local support group meets in two locations for your convenience.

In Silverdale, the second Wednesday of every month in the Rose Room at the Harlow Medical Building (lowest level of Harrison Medical Center Silverdale) 1780 NW Myhre Road, Silverdale from 7:00-9:00 pm.

In Gig Harbor, the third Wednesday of every month at the Jane Thompson Russell Community Cancer Center, Milgard Medical Pavilion at St. Anthony Hospital, 11511 Canterwood Blvd. N.W. Gig Harbor, from 7:00-9:00 pm.

This is an opportunity for women with Endo to come together, share information and learn from each other about the disease. Periodically, we have guest speakers who provide information on various topics.

If you are interested in learning more about the ERC, the local support or getting involved, please call Michelle Abel, Support Group Coordinator at (360) 271-6178.
